Notice of Addendum No. 1

Site Clearing Services for 3 New Homes - Dream Catcher Housing Initiative Phase II

RFQ Number: 26-03

Date Issued: 7/28/2026

Project: Site Clearing Services for 3 New Homes

This Addendum modifies the Request for Quotation for Site Clearing Services. This Addendum becomes part of the original solicitation and must be acknowledged by each contractor submitting a quotation.

1. Revised Quotation Form

The separate cost line item for Grinding is deleted from the quotation form.

Delete:

Stump/Grinding	\$	\$	\$	\$
----------------	----	----	----	----

The Revised quotation form shall read as follows:

Description	Raw Hide Lot #16	Raw Hide Lot #17	Big Sky Court Lot 18	Total
Mobilization	\$	\$	\$	\$
Tree & Brush Clearing	\$	\$	\$	\$
Stump Removal	\$	\$	\$	\$
Hauling & Disposal	\$	\$	\$	\$
Rough Site Restoration	\$	\$	\$	\$
Total Cost Per Lot	\$	\$	\$	\$

Combine Total (All Three Lots)	
---------------------------------------	--

2. Scope Clarification

Removal of the separate Stump Grinding line item does not change the required scope of work. Contractors shall include all costs associated with stump and root removal, brush and vegetation clearing, debris removal, and all other work necessary to complete the site clearing project within the applicable quotation items provided in the revised quotation form.

All other requirements, terms, conditions, and submission instructions contained in the original solicitation remain unchanged.

Acknowledgment

By submitting a quotation, the contractor acknowledges receipt of Addendum No. 1 and agrees that it is incorporated into the original solicitation.
